## PROF. DR. EL HOUSSAINE EL BOUDOUTI

---

Dr. El Houssaine El Boudouti is Professor at the Department of Physics, Faculty of Science, Mohammed First University, Oujda (Morocco). He is M. Sc. (1992), Ph.D. (1994) and Habilitation (2007) from the University of Lille (France). His research interest concerns elementary excitations (phonons, photons, electrons and magnons) in composite materials such as phononic, photonic, electronic and magnonic crystals. He published 100 papers, 2 books, 1 chapter book and 2 review papers. He presented his research work in 100 national and international conferences. He is awarded the "Research Prize of excellence in Physics" from Mohammed First University in 2018.
