

## BIOGRAPHICAL SKETCH

**Abd El-Aziz El-Sayed Fouda** was born in Menoufia, Egypt. He received his B.Sc. Chemistry, Cairo University, Egypt, 1972, M.Sc. in Physical and Inorganic Chemistry, from El-Mansoura University, Egypt, 1975 and Ph.D. in Physical Chemistry, El-Mansoura University, Egypt, 1979. He appointed as Demonstrator Oct. 28, 1972- Nov. 4, 1975, Assist. Lecturer Nov. 5, 1975 - July 1, 1979, Lecturer of Physical Chemistry, July 2, 1979-April 29, 1984, Assist. Prof. of physical Chemistry, April 30, 1984- May 29, 1988, Prof. of Physical Chemistry, May 30, 1988 till now, Chemistry Department, Faculty of Education, Mestganim Algeria, Assist. Prof. of Physical Chemistry 1986-1987, Chemistry Department, Faculty of Science, Qatar University, Qatar, Assist. Prof. of Physical Chemistry 1987-1988 and Prof. of Physical Chemistry, 1988-1992. He is a member of Egyptian corrosion Bulletin, Member of the editorial board of Oriental J. Chem. India and Member of the editorial board of Asian J. Chemistry India. He granted the Chemical Engineering Department and Material Science, Minnesota University, USA, for one year, Lecturer of Physical Chemistry 1982-1983 and Physical Chem. Institute, Bonn Univ. Germany. July 28, 1989 to Aug. 13, 1989. He had prizes from National Award for Chemistry from Academy of Scientific Research and Technology in Cairo, 1982, First class State Medal of Sciences and Arts, 1984 and Prize of El-Nasr Company for Fertilizers, Talkha, 1981. He is a international reviewer for a huge number of thesis, journals and projects. He had published more than 160 papers in international journals. His main research interests are in the field of Physical Chemistry, Especially electrochemistry (Corrosion and corrosion inhibition in all media for metals and alloys, Fuel cells, Electrodeposition of metals and oxides).
