Pr. Mouloud EL MOUDANE

Pr. Mouloud EL MOUDANE was born in 1970 in Khemisset City, Morocco. He received his Ph.D. in Applied Chemistry from Ibn Tofail University, Kenitra, Morocco in 2000. He had published many researches in international journals indexed Scopus and presented several communications in symposia and national/international meetings. He is a reviewer in many peer-reviewed international journals published by Elsevier, Springer, Taylor and Francis, etc. His main research interests are in the field of Materials Science, especially elaboration and characterization of phosphate glasses using X-Ray Diffraction (RXD), Differential Scattering Calorimetry (DSC), Infrared and Raman Spectroscopy, X-Ray fluorescence spectroscopy. Recently, his research focused on Corrosion Science and estimation of thermo-physical properties using geometric models and mathematical equations. EL MOUDANE is an expert in Intellectual Property (WIPO).
