

Ramazan SOLMAZ

Associate Professor

Bingöl University, Science and Letters Faculty,

Chemistry Department, 12000 Bingöl, Turkey

Tel : +90 426 213 2550-2523

Fax : +90 426 213 2866

e-mail : rsolmaz01@gmail.com, rsolmaz@bingol.edu.tr

Education

B.S. : Çukurova University, Science and Letters Faculty, Chemistry Department, 2001

M.S. : Çukurova University, Science and Letters Faculty, Chemistry Department, 2004

PhD : Çukurova University, Science and Letters Faculty, Chemistry Department, 2009.

Experiences

2002-2009 : Research Asst. Çukurova University, Science and Letters Faculty, Chemistry Department.

2009-2012 : Asiss. Prof. Dr. Bingöl University, Science and Letters Faculty, Chemistry Department.

2012- : Assoc. Prof. Dr. Bingöl University, Science and Letters Faculty, Chemistry Department.

Research Interests

Electrochemistry, Energy, Hydrogen Energy, Fuel Cells, Corrosion, Materials Science, Electrodeposition, Conducting Polymers

Administrative Duties

Head of Physical Chemistry Division

Director of Biotechnology Application and Research Center

Coordinator of Central Laboratory

Coordinator of Scientific Research Projects Coordination Unit

Member of Scientific Institutions

Turkey Corrosion Association

International Association of Hydrogen Energy (IAHE) Young Scientists Division

Prizes*

TUBITAK - BİDEB 2211 – National Postgraduate Fellowship Program, 2006-2009

Bingöl University Academic Scientific Activity Prize (2010 and 2011)

TUBITAK Scientific Publications Encouragement Prizes (2005-2012) (26 times)

Electrochimica Acta Top Cited Article 2008 to 2009 Award

Kurt Schwabe Prize (2012)

Publications* : 33 Articles and Reviews, 39 Presentations

Research Projects* : 9

Editorial Board Members* : ISRN Corrosion, International Journal of Corrosion, Journal of Materials and Environmental Science

Reviewer* : More than 80 Papers for 25 different Journals

*Updated on July 2012
